Suited for gamers

This over-ear gaming headset with foldable microphone and adjustable headband will suit all your gaming needs perfectly. Connect it to your PlayStation 4 and you are on your way to sounding victories!

Communicate effectively

The Ravu headset features a foldable microphone with an omnidirectional recording pattern. It picks up your voice easily while talking to friends. You can bend the microphone into any position that is best for you. Not a word will be missed while talking to your teammates! With the in-line remote, you can adjust the volume as well as mute the microphone when in need of some peace and quiet.
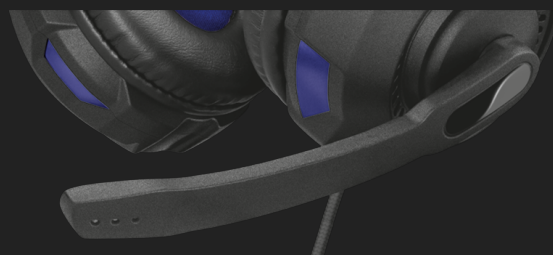

Long lasting comfort

The Ravu is designed for long and intense gaming sessions with its comfortable over-ear pads. These help to cancel any noise when you are playing a battle against or with your friends.
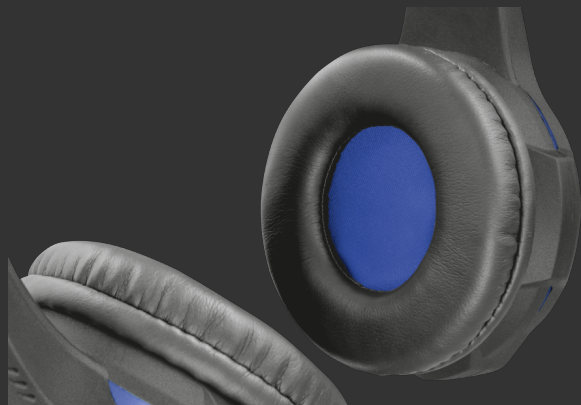

Be in control

The 40mm driver units give you the sound you are looking for. Connect the 2-meter cable with 3.5mm jack plug to your console or connect the extension cable for optimal use with your PC or laptop. Start listening to the sounds of triumph!
